NEW DALBY CULTURAL CENTRE

HAVE YOUR SAY

An exciting new cultural centre project is in the works for Dalby, and residents are encouraged to get involved and have your say about your vision for a unique multipurpose space for the enrichment of the community and visitors.

We recently asked the community how they wanted Council to engage with them about major projects, and we've taken that feedback on board. An online engagement platform will act as a place for community members to interact and provide their thoughts, as well as a trusted place to go for project updates throughout the project.

BACKGROUND

In February 2022, Council made the difficult decision to cancel the planned redevelopment of the former MyALL 107 facility due to structural failings. Want to know more? www.**wdrc.info/myall107**

Now, we have the opportunity to do more than just replace MyALL 107, we have the chance to create something even better that will meet the needs of our residents and visitors and add to our region's liveability for years to come.

ENGAGEMENT PLATFORM

To have your say, visit www.**haveyoursay.wdrc.qld.gov.au** or scan the QR code below to take the Phase 1 Engagement Survey.

NOT ONLINE? OR PREFER PAPER?

No problem! Council understands that not everyone wants to engage online, so paper copies of the survey are available from Council Customer Service Centres and Western Downs Libraries. Alternatively you can phone Council (1300 268 624) to have a copy emailed or posted to you.

ENGAGEMENT PROCESS

We want to make sure that the community has a chance to have their say on the space, that we've heard it right and that we communicate the decisions throughout the project. This engagement process will have several stages, beginning with discovering what the community values and wants in a new cultural space for Dalby, in the Western Downs.

PHASE 1
VALUES & VISIONING

PHASE 2
MAKING A PLAN

PHASE 3
REFINE THE DESIGN

PHASE 4
FINISHING & STAGING
